Caleb: What is the meaning of this?
me: another black mob at a state affair
me: link is to excerpt from local news story
Caleb: Yes.
Caleb: I'm missing the punchline.
me: MC Hammer
me: people on reddit get this
Caleb: Right.
me: the audience
Caleb: So there's a black riot at a fair in Wisconsin.
Caleb: Hammer's there.
Caleb: Nothing but white people in the crowd.
Caleb: Roger all that.
Caleb: How does it tie together?
Caleb: Is Hammer the punchline?
me: yes
me: and the particularly crackerjack description of the crowd
Caleb: Boy, this was all worth my time and attention.
me: it would have been if you didn't need a grand jury investigation to get the fucking joke
Caleb: I still don't get it.
Caleb: Who fucking laughs at MC Hammer anymore?
me: look
me: fuck you
me: LISTEN MAN, FUCK YOU
me: LISTEN MAN, FUCK YOU
Caleb: Shit, negro.
Caleb: That's all you had to say.
